# Checkpoint Bible Camp

Good afternoon, **Church Leaders,**

I am sending this letter to churches that have been a vital part of Checkpoint Bible Camp. We need your help, as a church, to ensure the success and viability of CBC. **Would you ask your church leadership to prayerfully consider supporting CBC with a donation of \$200 (or more) to help us offset costs for our campers?** Your entire donation is used to offset costs for students as there are no staff or administrative costs associated with CBC. All our leadership team, staff, counselors, and support team are volunteers.

Your support not only helps to offset costs for campers, but it also provides your church families with the opportunity to register early! If you have been a supporting church of Checkpoint Bible camp, then you know the benefits of allowing your families to register their campers before registration is open to everyone. This is even more important, as space is limited and spots are filled on a first-come, first-served basis. When all spots are filled, students will be placed on a waiting list and will not be guaranteed a spot at camp.

**As a supporting church, you are given a two-week window to register your campers prior to Open Registration. Our early enrollment period for supporting churches will be April 15 through April 30.**

Registration will then be opened to everyone on May 1. In previous years, once registration has opened, it has filled up quickly.

Many of you have faithfully supported CBC over the years, helping to keep costs affordable for families. Thank you! We hope this will continue and look forward to continued partnerships in the years to come.

***Please make checks payable to:  
IFCA Indiana Regional***

***Checks should be sent to:***
