

2025 CHECKPOINT Bible Camp

Dear church leader, and friend of Checkpoint Bible Camp,

I am sending this letter to church leaders that are a vital part of Checkpoint Bible Camp (CBC). We need your church's help this year to ensure the success of CBC.

Will you prayerfully consider supporting CBC with a donation of \$400 (or more) to help offset costs for campers? Your entire donation will go toward offsetting costs for campers because there are no staff or administrative costs associated with CBC. All the leadership team, the staff, the counselors, and the support team volunteer their time.

Your financial donation also provides your church with the opportunity to register early for CBC. If you have been a supporting church of CBC in the past, then you know the benefit of allowing your church to register their campers before non-supporting churches. The number of CBC campers is limited, and spots are filled on a first-come, first-served basis. When all the available spots are filled, campers will be placed on a waiting list but are not guaranteed a spot at camp.

As a supporting church, you will be given two weeks to register your campers before the open registration period. Our early registration period for supporting churches will be April 15 through April 30. Registration will then be opened to everyone else on May 1. In previous years, once the open registration period began, CBC quickly filled up with campers.

Many of you have faithfully supported CBC over the years and have helped to keep costs affordable for CBC campers and their families. Thank you!

We hope this will continue this year as we look forward to working together with you to make CBC a God-glorifying and affordable Bible camp for years to come.

Sincerely yours,
Pastor Jeffery Hayes
